

Understanding Your Child's Performance and Learning Profiles

2015-2016 School Year

CO

COLORADO Department of Education

What is the Dynamic Learning Maps Assessment?

The Dynamic Learning Maps™ (DLM) assessment measures student performance on alternate content standards for students with the most significant cognitive disabilities—DLM Essential Elements.

Essential Elements detail what your child should know and be able to do at a particular grade level.

During spring 2016, your child took assessments in English language arts and math. This report describes how your child performed on the assessments.

REPORT DATE: 09-25-2016 YEAR: 2015 – 16	Individual Student Year-End Report Performance Profile		
NAME: Susie Smith	DISTRICT: 1234	STATE	DLM State
SUBJECT: English Language Arts	DISTRICT: DLM District name		GRADE: 3
SCHOOL: DLM School		STATE ID: 999999	

Overall Results

Grade 3 English language arts allows students to show their achievement in 85 skills related to 17 Essential Elements. Susie has mastered 37 of those 85 skills during the 2015-16 school year. Overall, Susie's mastery of English language arts fell into the second of four performance categories: approaching the target.

ADVANCED: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

A student who has achieved at the approaching the target performance level has typically shown that he or she can recognize details, ideas, and supporting points and reasons, identifies feelings, and recognizes text structure when reading Literature and Informational text.

The student recognizes details, ideas, and supporting points and reasons by:

- Using key details to recount a story from a diverse culture
- · Answers who, what, when, where, and why questions
- Understanding definitions for unambiguous words in a text
- Identifying words or phrases to complete a literal sentence.
- The student identifies feelings by:
 - Relating character feelings to actions

- The student recognizes text structure by:
 - · Comparing elements of two texts
 - Identifying the temporal order of information or events in a text
 - Using text features to locate information
 - · Recognizing the beginning and end of an unfamiliar text

When writing, the student:

- · Selects an informational topic
- · Finds information in resources to support the informational topic
- Writes using complete thoughts

How is my child doing?

The **Overall Results** section describes your child's overall performance in relation to the alternate achievement standards for English language arts or math.

Student performance on

this assessment is categorized as Emerging, Approaching the Target, at Target, and Advanced

"At Target" means that your child has met the alternate achievement standards in English language arts or math for your child's grade level.

All reported academic skills are grade-level academic content or are leading up to grade-level content for students with the most significant cognitive disabilities.
