

July 23, 2025

Dear Superintendents and BOCES directors,

I am writing to share that Monday evening, we received our grant award notification (GAN) from the US Department of Education (ED) for Title IV-B (21st Century Community Learning Center) for roughly \$12.8 million. Grantees can anticipate availability of 100% of their 2025-26 awards, and we will be contacting grantees directly with more details about budgets and grant award letters.

Warm Regards,

Susana Córdova
