

Calling All Teachers

Apply to Serve on the Education Commissioner's Teacher Cabinet

COLORADO
Department of Education

The Colorado Department of Education is seeking eight to 10 practicing teachers from around the state to join the educators continuing as members of the Commissioner's Teacher Cabinet. Members will meet four times a year to advise the Commissioner of Education and ensure that the voice of practicing teachers is heard by policy makers and legislators on important education issues.

Teacher Cabinet Members will:

- Serve as a sounding board for the implementation of state education policy.
- Brainstorm solutions for some of the challenges facing today's educators, such as raising achievement among all students, supporting low-performing schools and increasing the number of individuals joining the teaching profession.

To be considered for the Commissioner's Teacher Cabinet, educators must have at least three years of experience in the classroom and must submit an application, resume and two letters of recommendation to CDE by Aug. 15, 2019. Selected educators will serve two years on the cabinet beginning in August 2019.

Teachers will be selected by a diverse committee, including the current Teacher of the Year Meg Cypress, the commissioner, and other external stakeholders.

"The Teacher Cabinet has provided valuable feedback that's helping to shape education policy in our state and work here at the department. I'm looking forward to the next cohort of cabinet members joining the conversation."

Katy Anthes, Ph.D.
Colorado Commissioner
of Education
