

2014-2015 Student October Snapshot

Purpose:

The purpose of the Student October Snapshot is to determine funding for districts and schools by taking a count of students in attendance on the Pupil Enrollment Date.

Dependencies:

Student has been assigned a SASID and updated in the RITS system.

Student has a record in the student interchange for:

- Demographics
- Student School Association

Also, extract students from the Title I interchange

Criteria for inclusion in the Student October snapshot:

For a SASID to be added to the snapshot it must:

- Be in both the Demographic and Student-School Association files
- Be error free in both those files

Pull Student School Association records that meet the following criteria:

- PRIMARY_SCHOOL = '1' **AND**
- SCHOOL_ENTRY_DATE <= count date for the current school year **AND**
- SCHOOL_EXIT_DATE is null **OR** SCHOOL_EXIT_DATE >= count date for the current school year **AND**
- One of these conditions is met:
 - The student's age as of the count date >= 2 and <= 21 **OR**
 - The student's age as of the count date <=21 (typically under 2) and there is an age waiver for the district or district and school code **OR**
 - PRIMARY_DISABILITY (from the demographics file) <> '00' then calculated age as of December 31 of the reporting school year <= 21

NOTE: The application will allow districts to indicate they are using October 1st or November 1st for the pupil count date for preschool students (ENTRY_GRADE_LEVEL = '004'). All other grade levels will use pupil enrollment date (October 1st).

NOTE: If a student transfers between districts and attends both districts on the pupil enrollment count day, the receiving district is entitled to include the student in its funded count.

Note: The primary key () for the Student October Snapshot aligns with the primary key for the Student Interchange – Student School Association File

Title 1 Student

Targeted Assistance (TA)- Children that are identified by the school as failing, or most at risk of failing, to meet the State's challenging student academic achievement standards on the basis of multiple, educationally related, objective criteria established by the school, except that children from preschool through grade 2 shall be selected solely on the

basis of such criteria as teacher judgment, interviews with parents, and developmentally appropriate measures. Children who are economically disadvantaged, children with disabilities, migrant children, limited English proficient (LEP) children, are eligible for services under this part on the same basis as other children selected to receive services under this part.

Schoolwide (SW) - Schoolwide (SW) reform provides opportunities for all children to meet the states' proficient and advanced levels of student academic achievement. All students in Schoolwide schools are reported as Title 1 for the applicable SW grade range.

Title 1 -- Student is either served in Targeted Assistance (TA) or Schoolwide (SW) Title 1 program.

At-risk funding

Using the prior year's TCAP information:

- The student cannot be eligible for free lunch. He/she must be either reduced lunch or not eligible, code 00 or 02.
- Students who are **not** Continuous in Colorado and have a Language Proficiency of 1 or 2 (NEP or LEP)
 - If took Spanish Reading/Writing TCAP (Lectura/Escritura) are coded '02'
This would only apply for students in grades 3 and 4 as those are the only grades with Spanish TCAP
 - If took English Reading/Writing TCAP are coded '01'

The Assessment Unit provides this calculation

The Student October At-Risk field is then used within the finance formula.

00	No
01	Yes, English TCAP
02	Yes, Spanish TCAP
