

STUDENT RE-ENGAGEMENT GRANT

SCHOOL DISTRICTS

District: Center Consolidated Schools, 26JT	
Year of 3-year grant: 1	FY20 Award Amount: \$257,059 FY21 Award Amount: \$257,059 FY22 Award Amount: \$257,059
Contact: Katrina Ruggles Phone: 719-754-2232	Address: 550 S Sylvester Center, CO 81125
Program Name: Skoglund Middle, Center High, Recovery Center	
Anticipated number of students to be served: 87	
Program Description: The District plans to address student engagement through focusing on academic improvement through improved classroom engagement strategies, academic interventions and credit recovery. In addition, the District will focus on improving attendance and behavior through social-emotional competency building, behavioral supports, and out of school time positive youth development programming. Finally, parent engagement will include home visits and parent education.	

District: Cripple Creek	
Year of 3-year grant: 1	FY20 Award Amount: \$96,915 FY21 Award Amount: \$96,915 FY22 Award Amount: \$96,915
Contact: Chris Lukez Phone: 719-689-2661	Address: 410 N B Street Cripple Creek, CO 80813
Program Name: Cripple Creek-Victor Jr./Sr. High School	
Anticipated number of students to be served: 200	
Program Description: The Cripple Creek-Victor School District intends to hire staff who will create a system to support career/education exploration and planning with the intent of mitigating local factors affecting graduation and/or lack of follow-through in pursuing post-secondary plans. The District will also hire one and one half para-educators who will be charged with creating and managing a	

program that will provide juniors and seniors an opportunity to participate in a paid internship position for one semester, track student activity beyond graduation, oversee attendance and recordkeeping, manage discipline data, and support guidance and administrative staff in carrying out the tasks of this funded initiative.

District: Douglas County Re-1	
Year of 3-year grant: 1	FY20 Award Amount: \$100,000 FY21 Award Amount: \$100,000 FY22 Award Amount: \$100,000
Contact: Susan McAlonan Phone: 720-402-3020	Address: 620 Wilcox St Castle Rock, CO 80104
Program Name: Hope Online Learning Academy High School	
Anticipated number of students to be served: 50	
Program Description:	
<p>HOPE Online Learning Academy Co-Op has identified, through data, those students with the highest risk factors for dropping out including previous school failure, homelessness, high mobility, mental health needs, poverty, credit deficits, poor attendance and discipline issues. Our theory of action is to have dedicated staff conducting outreach services to identify student who have dropped out and enhance and coordinate our academic and student and family engagement supports to keep students enrolled, increasing the likelihood of more students graduating. This program will focus on providing a wraparound system of support to facilitate re-engagement. Ongoing services will be provided to those students identified. This system will provide much needed service coordination and address service gaps for those students most in need.</p>	

District: Denver Public Schools	
Year of 3-year grant: 1	FY20 Award Amount: \$300,000 FY21 Award Amount: \$300,000 FY22 Award Amount: \$300,000
Contact: Samantha Haviland Phone: 720-423-3305	Address: 1860 Lincoln St Denver, CO 80203
Program Name: John F Kennedy, George Washington High, Thomas Jefferson High	
Anticipated number of students to be served: 2,000	
Program Description:	

DPS student re-engagement grant will hire a school counselor focused on the 8th to 9th grade transitions and offering programming based on early warning system data. Counselors will engage with students and parents before the 9th grade year and create a positive and supportive relationship as students begin high school. This grant will use data analysis, early warning systems, family partnering and transition programs through enhanced counseling services to students in three schools.

District: Durango	
Year of 3-year grant: 1	FY20 Award Amount: \$88,912 FY21 Award Amount: \$93,933 FY22 Award Amount: \$99,394
Contact: Bradley Hardin Phone: 970-259-0203	Address: 201 East 12th Street Durango, CO 81301
Program Name: Durango Big Picture School	
Anticipated number of students to be served: 95	
Program Description:	
<p>Programming consists of creating a Leaving To Learn Program for all students in the school focusing on creating more student engagement resulting in increased academic achievement, increased school attendance and remaining in the program. This program will provide learning opportunities outside of the school in the community in the following academic areas: Physical and Environmental Science, Physical Education, Culinary Arts, Health and Self Sustainability, and Visual and Performing Arts. Students will be working with professionals in each field of study, engaging with them in academic work.</p>	

District: Jefferson County	
Year of 3-year grant: 1	FY20 Award Amount: \$198,453 FY21 Award Amount: \$198,590 FY22 Award Amount: \$198,557
Contact: David Kollar Phone: 303-982-6739	Address: 1829 Denver West Drive Bldg 27 Golden, CO 80401
Program Name: Arvada High School, McLain High School	
Anticipated number of students to be served: 110	
Program Description:	

Through Jeffco Schools Student Engagement Office, the SRG Program will support McLain High School to design and enhance pathways to support their over age and under credit learners. McLain will be implementing programming to support students completion of high school aligned to their career and post –secondary interests. Arvada High School will be supported in providing additional school based programming to increase social emotional well-being, improve relationships, and school engagement in order to improve their graduation rate and decrease their dropout rate.

District: Mesa County Valley SD 51	
Year of 3-year grant: 1	FY20 Award Amount: \$300,090 FY21 Award Amount: \$305,074 FY22 Award Amount: \$307,679
Contact: Cathy Ebel Phone: 970-254-5488	Address: 2115 Grand Avenue Grand Junction, CO 81501
Program Name: Gateway, Central High, R-5 High School, Grand River Academy	
Anticipated number of students to be served: 355	
Program Description: The District will provide programming that will 1) Offer engaging project based curriculum or alternative pathways to attain credits toward graduation, 2) increase attendance through rigorous monitoring and individualized support, 3) improve social/emotional competence through curriculum, restorative practices and direct skill instruction. The programs at each school will address many of the risk factors our students are struggling with including low attendance, course failure, behavior and discipline issues, insufficient credit accrual, and youth currently not engaged in school.	

District: Pueblo School District 70	
Year of 3-year grant: 1	FY20 Award Amount: \$100,000 FY21 Award Amount: \$100,000 FY22 Award Amount: \$100,000
Contact: Ginger Andenucio Phone: 719-295-6509	Address: 24951 East Highway 50 Pueblo, CO 81006
Program Name: 70 Online	
Anticipated number of students to be served: 160	
Program Description:	

A Student and Family Support Advocate will be hired to provide support and guidance services to students and families. The advocate and the 70 Online staff will collaborate and work together to provide the best possible educational experience by addressing low course completion; lack of credit attainment; low graduation rate; social, emotional, and behavior issues; low attendance; out-of-school youth and lack of student engagement.

District: Silverton School District	
Year of 3-year grant: 1	FY20 Award Amount: \$100,000 FY21 Award Amount: \$100,000 FY22 Award Amount: \$100,000
Contact: Kim White Phone: 970-387-5544	Address: PO Box 128 Silverton, CO 81433
Program Name: Silverton High School	
Anticipated number of students to be served: 23	
Program Description: The District plans to provide for flexible scheduling, transition supports, and individualized course and post-secondary pathway development. In addition, a dedicated and experienced teacher coach/mentor will be provided to support both academic needs as well as social/emotional instruction and supports through restorative practices and coaching. We will re-connect our youth to the community through authentic and real life intern-ship and work placement opportunities. Silverton is committed to developing a variety of flexible and supportive options that will work to meet the needs of a wide range of situations and students.	

District: St. Vrain Valley School District RE-1J	
Year of 3-year grant: 1	FY20 Award Amount: \$298,571 FY21 Award Amount: \$276,142 FY22 Award Amount: \$279,188
Contact: Deniece Cook Phone: 303-722-3333 ex57101	Address: 1200 S Sunset Street Longmont, CO 80501
Program Name: Olde Columbine High School, St Vrain Online Global Academy, Skyline High School	
Anticipated number of students to be served: 660	

Program Description:

Olde Columbine High School, Skyline High School, and St. Vrain Online Global Academy will implement comprehensive programming aligned to each school's student population to prevent course failure, engage and re-engage at-risk students, ensure timely progress towards graduation, and prevent dropout.

District: Weld Re-8 School District	
Year of 3-year grant: 1	FY20 Award Amount: \$100,000 FY21 Award Amount: \$100,000 FY22 Award Amount: \$100,000
Contact: Scott Graham Phone: 303-857-3213	Address: 200 S Fulton Ave Fort Lupton, CO 80621
Program Name: Fort Lupton High School	
Anticipated number of students to be served: 50	
Program Description:	
<p>The Weld RE-8 School District is implementing the Career Explore program to address students most at-risk of dropping out (based on poor attendance, behavioral occurrences and credit deficiency). The program addresses a common progression of drop-outs: lack of relevance, leading to disengagement and finally loss of hope. We will address this through the exploration of careers, development of individual career pathway plans, development of essential skills, interaction with industry professionals and development of internships. Career Explore will also focus on civic engagement and financial literacy to ensure students are college and career ready. Our intent is to provide a relevant learning experience through authentic interactions with professionals which will lead to higher engagement through these real-world activities and to inject hope into these students' futures. AIMS Community College will partner to provide concurrent opportunities, hard skill training and certifications where applicable. Upon graduation, students will be supported by Workforce, SWAP, AIMS and Job Corps to continue to pursue their chosen career paths. Methods and tactics addressed include community engagement, multiple pathways to graduation and re-engagement of out-of-school youth.</p>
