

Counseling and Advising

(*after* completing the online application/registration at <http://proudtoserveagain.com/>)

During the initial counseling session, the **advisor** will:

- Provide information on state licensure requirements
- Provide information on specific licensure programs
- Inform the applicant of stipend and bonus opportunities
- Recommend applicants who are in a licensing program to the Colorado Troops to Teachers Program employee referral services

After the personalized counseling session, the **applicant** is responsible for:

- Enrolling in a licensure program or courses leading to licensure
- Networking (substitute teaching or volunteering) with school districts (with assistance from the Colorado Troops to Teacher Program)
- Seeking employment and working with the Colorado Troops to Teachers Program employment referral services
- Coordinate with the national program regarding eligibility for [financial assistance](#)

Employment Referral Services

The **Colorado Troops to Teacher Program** will:

- Provide resources for resume and cover letter
- Provide recommendations for employment preparation when applicable
- Assist in the job search and help establish connections when possible

The **applicant** is responsible for:

- Being proactive in their job search and preparation
- Securing employment
- Reporting any employment to the Colorado Troops to Teachers Program
- Coordinate financial eligibility with the national office for bonus offerings

Contact Colorado Troops to Teachers with any eligibility/registration questions.
