

00:05:56 Wes_O (he, him, his): Hi everyone:)

00:06:04 Adam Collins (Him/His): Hi Wes!

00:06:29 Deana Pachelli: Hello!!

00:06:54 Wes_O (he, him, his): Yeah! We are all feeling this year for sure

00:13:34 Mary Campbell: I would like a copy of the article.

00:14:46 devon davey: Me too, please:)

00:14:57 ewingj: Me too!

00:15:24 Marcie Jaramillo: I would love the article as well.

00:16:17 Wes_O (he, him, his): phases

00:22:03 Wes_O (he, him, his): Yeah--a dynamic process

00:22:37 Wes_O (he, him, his): Yes! And the impact of covid

00:25:02 Wes_O (he, him, his): Yeessss!

00:27:13 Wes_O (he, him, his): I would say some of my teams are initial to full implementation and few others were set back to exploarati

00:27:25 devon davey: I agree!

00:27:50 Wes_O (he, him, his): Yeah..exploration*

00:29:06 Wes_O (he, him, his): Yeah--what's in place that allowed you to stay there

00:30:23 ewingj: My schools that remained in initial implementation were the ones that held onto staff from previous years BPC teams. Some schools where thrown back into Installation because of drastic staff turnover.

00:31:02 Wes_O (he, him, his): Stable leadership or leadership that prioritized the work even through the pandemic, integration into other initiatives, full staff commitment, history of doing the work

00:36:12 Delhia Mahaney: I have another meeting. Sorry folks...

00:45:15 Adam Collins (Him/His): What is your strongest area for sustainability?

00:45:27 Adam Collins (Him/His): What is your weakest area for sustainability?

00:45:42 Adam Collins (Him/His): What is one strategy you can use to support sustainability moving forward?

01:03:47 Angi Hagins: Thank you!

01:03:56 Nancy Westfall: Thank you!

01:04:04 devon davey: Thank you!

01:04:20

Marcie Jaramillo:

Thank you
