

ASCENT 12+1

(Accelerating Students through Concurrent Enrollment)

ASCENT 12+1 is Concurrent Enrollment extended into a 5th year, providing graduating seniors tuition assistance with one extra year of free college level coursework.

**** All ASCENT applicants should also complete their FAFSA and apply to their program/colleges of choice.**

If students qualify for financial aid from their program/schools of choice that exceeds ASCENT tuition, students should accept financial aid, which might include textbooks, and forfeit their ASCENT slots to students on the ASCENT waitlist.
