PWR Symposium: Eastern Colorado

- * Join in a variety of panel discussions, student voices, and small group conversations about how Career Development, ICAP, and Graduation Guidelines policies help students build toward Postsecondary and Workforce Readiness (PWR). Learn from experts, school district peers, and community peers about Work-Based Learning, Capstone, Industry Certifications, and other PWR initiatives and practices.

We're honored to welcome Dr. Jennifer Curry, a professor from Louisiana State University, who will deliver the keynote and lead discussions centered on "Changing the Narrative."

April 24, 9:00am-3:00pm
