Addressing Health Equity Through....

Covid & Flu

Vaccine Clinics

Here's an affordable, effective option

- Text-first, on demand telehealth access to licensed physicians anytime, anywhere
- Annual blood screening conveniently located at a Quest Patient Service Center or health fair presented by 365 Health
- Trusted education, tips, and resources to help you stay motivated and informed

Boulder Valley School District Pilot

Ari Gerzon-Kessler, Coordinator of Family Partnerships

Nicole Duster, Louisville Elementary Family Liaison

Denver Great Kids Head Start Pilot

Mary McNeill, Family Services Director

Discussion

- How has Covid impacted health equity in your community?
- If access to medical care has decreased in your community during the last three years, what initiatives are being created to address access?
- Can 365 Health services support your families and staff?

Thank you!
