## Learning Targets

- ✓ I can tell what I like and don't like to do for entertainment.
- ✓ I can give my opinion on an entertainment event that I participated in or attended.

## Proficiency Goal

## Scenario 1

You have been asked to create a web page to talk about your favorite form of entertainment to share with students in Dijon, France. To make the page more interesting, you have decided to include a podcast talking about a recent event you attended or participated in. You have decided to tell why this event was so special and how it is your favorite type of event.

You may want to include the following in your presentation:

- Your opinion about a specific movie, video game, TV show, concert, or athletic performance (game, race, match, etc.) – *Why did you like? What did you like most about it?*
- A description of your favorite form of entertainment with specific examples.

Feel free to add anything else that will support your presentation and that you can already say in French.
