#### Annual Measurable Achievement Objectives (AMAOs) Overview of Colorado's Process and Procedures

Colorado Department of Education Office of Federal Programs Administration

September 2012

### What are AMAOs?

Annual Measurable Achievement Objectives are:

- Accountability measure for Title III of NCLB
- Used to determine the effectiveness of language instruction educational programs funded by Title III
- Based on State English Language Development Standards and Colorado English Language Assessment for Proficiency (CELApro) data

No Child Left Behind (NCLB) – Section 3122 Achievement Objectives and Accountability

Each State must develop annual measurable achievement objectives (AMAOs) for limited English Proficient (EL) children served in a Title III program that measure:

- Children's development and attainment of English proficiency
- Proficiency in challenging academic achievement standards

Such AMAOs shall include, at minimum, annual increases in the number or percentage of limited English proficient children:

- (i) making progress in learning English
- (ii) attaining English proficiency

by the end of each school year, as determined by a valid and reliable assessment of English proficiency consistent with section 1111(b)(7);

#### AND

 (iii) making adequate progress in Colorado academic standards in Reading and Math as described in section 1111 (b)(2)(B)

Colorado Department of

### NCLB and Title III Waiver

- Through the NCLB Waiver, CDE worked with USDE to align AMAO 1 and 3 with state accountability measures.
- AMAO 1 was changed through the amendment process
- AMAO 3 was changed through an addition to the NCLB Waiver

#### Three Annual Measurable Achievement Objectives, Two Sets of Standards

AMAO	Standard	Assessment(s)
AMAO 1: Making progress in attaining English	English Language Development Standards in reading, writing,	CELApro, 2011-12; WIDA Access, 2012-
AMAO 2: Attaining English Proficiency	speaking and listening.	13
AMAO 3: Making adequate growth in reading, writing and math	State Content Standards in reading, writing and math	CSAP/TCAP- reading, writing and math Graduation Rate Participation rate

#### AMAO 2: Attaining English Proficiency

The percent of English learners scoring Proficient (5) on CELApro Overall was divided by the total number of limited English proficient students enrolled in the district at the time of CELApro testing.

- 2011-12 target = 7%.
- Final determination based on the upper limit of the 95% confidence interval
- Is not calculated if fewer than 30 ELs in district/consortium

# AMAOs 1 and 3

- Calculated differently than prior years because of the NCLB Flexibility Waiver.
- Based on student growth from 2011 to 2012, not the percentage increasing one performance levels.
  - AMAO 1 based on CELApro Overall score growth
  - AMAO 3 based on 2011 CSAP to 2012 TCAP reading, writing and math growth, and grad and participation rates.

#### AMAOs 1 and 3

Points earned based on DPF rubrics

Cut-point: The district/consortium earned percent of the points eligible on this indicator					
• at or above 87.5%	Exceeds				
at or above 62.5% - below 87.5% Meets					
at of above 37.5% - below 62.5%     Approaching					
below 37.5%     Does Not Meet					

 Rating of Meets or Exceeds district/consortium made the AMAO.

### AMAO 1 – Making Progress

AMAO 1 cohort includes 1<sup>st</sup> through 12<sup>th</sup> grade students who:

- 1. Took CELApro in both 2011 and 2012, anywhere in Colorado
- Enrolled in their school prior to October 1 or in the district continuously for one full year.

- Growth Percentiles were calculated for all students separately by grade span (EMH).
- Adequate Growth Percentiles were calculated for all students separately by grade span (EMH).

Growth Percentiles and Adequate Growth Percentiles available in CEDAR. Directions for accessing: <u>http://www.cde.state.co.us/assessment/documents/growth/In</u> <u>structionsCELAprogrowthflatfileCDE.pdf</u>

CELApro Median Growth Percentiles (MGPs) and median Adequate Growth Percentiles (AGPs) calculated separately by grade span (EMH).

Separately, each grade span's Median Growth Percentile (MGP) compared to its median Adequate Growth Percentile (AGP).

- If the MGP = > AGP, grade span made adequate growth
- This rubric was used to assign points and ratings:

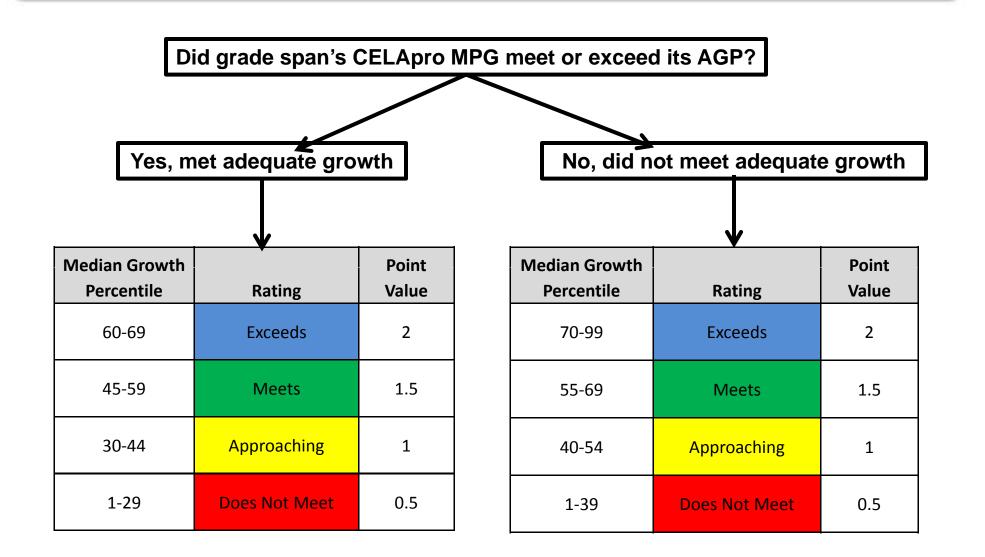

Median Growth Percentile	Rating	Point Value
60-69	Exceeds	2
45-59	Meets	1.5
30-44	Approaching	1
1-29	Does Not Meet	0.5

• If the MGP < AGP, grade span did not make adequate growth

• This rubric was used to assign points and ratings:

Median Growth Percentile	Rating	Point Value
70-99	Exceeds	2
55-69	Meets	1.5
40-54	Approaching	1
1-39	Does Not Meet	0.5

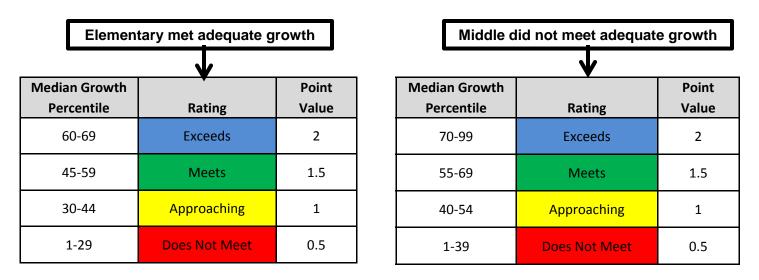

- Sum CELA growth points earned and points eligible across EMH levels. Grade spans with fewer than 20 students not included.
- Divide the points earned by the points eligible to determine the percentage of growth points:

<u>pts earned E + pts earned M + pts earned H</u> pts eligible E + pts eligible M + pts eligible H

#### **Example of Calculating AMAO 1**

Grade Span	MGP	AGP	Met or Exceeded AGP
Elementary (N=138)	62	59	yes
Middle (N=95)	54	58	no
High (N=19)	NA	NA	NA

District earns 2 out of 2 points possible for elementary and 1 out of 2 possible for Middle, for a total of 3 out of 4 possible—75%.

Colorado Department of Education

• Comparing the 75% to the table, we see the district fell into the Meets category.

Cut-point: The district/consortium earned percent of the points eligible on this indicator					
• at or above 87.5% Exceeds					
• at or above 62.5% - below 87.5%	Meets				
at of above 37.5% - below 62.5%     Approaching					
below 37.5%     Does Not Mee					

- Districts/Consortia that scored in the Meets or Exceeds categories made AMAO 1;
- Districts/Consortia that scored Approaching or Does Not Meet did not make AMAO 1

• Cohort: 3<sup>rd</sup>–10<sup>th</sup> grade Els during TCAP testing who:

Were enrolled (a) in district for a full year or (b) in school prior to October 1;
Had both 2011 CSAP and 2012 TCAP scores in the same content area (reading, writing and math).

 Students who took Lectura/Escritura or CSAPA/CoAlt, or withdrew during the testing period, not included for AMAO 3.

- Calculations done separately for Reading, Writing and Math, at the elementary, middle and high grade spans.
- A grade span with N< 20 not included in AMAO 3.
- High school graduation rate also factors in calculation.

When all grade spans have 20+ students, this is how the points are distributed, for 40 points total:

Grade Span	Reading	Writing	Math	Grad Rate
Elementary	4 points	4 points	4 points	
Middle	4 points	4 points	4 points	
High	4 points	4 points	4 points	4 points

- Separately, by content area (reading, writing and math) and grade span (EMH):
  - The MGP was determined based on Growth Percentiles for every student.
  - The Median AGP was determined based on Adequate Growth Percentiles for every student.
  - The MGP was compared to the median AGP.

If MGP => Median AGP, the grade span made adequate growth in the content area and used left scoring guide. If MGP < AGP, the grade span did not make adequate growth in the content area and used right scoring guide.

Yes, me	et adequate grow	th	No, did not	meet adequate g	growth
Median Growth Percentile	Rating	Point Value	Median Growth Percentile	Rating	Point Value
60-69	Exceeds	4	70-99	Exceeds	4
45-59	Meets	3	55-69	Meets	3
30-44	Approaching	2	40-54	Approaching	2
1-29	Does Not Meet	1	1-39	Does Not Meet	1

Colorado Department of Ed

#### Calculating AMAO 3: Grad Rate

Grad rates were calculated for the 2008 (7year), 2009 (6-year), 2010 (5-year), and 2011 (4-year) cohorts when N=16+. The best grad rate was used to determine grad rate points

		4-year	5-year	6-year	7-year
	2008				75.8
Year of	2009			75.6	
Graduation	2010		72.2		
	2011	70.0			

Scoring Guide		Point
Graduation Rate: District/consortium'	Rating	Value
graduation rate was:		
• At or above 90%	Exceeds	4
Above 80% but below 90%	Meets	3
• At or above 65% but below 80%	Approaching	2
Below 65%	Does Not Meet	1

- Sum growth points earned across RWM and EMH (N=20+) and grad rate (N=16+).
- Sum points eligible across RWM and EMH (N=20+) and grad rate (N=16+), maximum=40.

 Divide the points earned by the points eligible and compare the resulting percentage to these values:

Cut-point: The district/consortium earned percent of the points eligible on this indicator					
• at or above 87.5% Exceeds					
at or above 62.5% - below 87.5% Meets					
at of above 37.5% - below 62.5%     Approaching					
below 37.5%     Does Not Meet					

 If the percent of points earned equals or exceeds 62.5%, LEA made AMAO 3; if the percent of points is less than 62.5%, the AMAO 3 not made.

#### One last thing: TCAP Participation Rate

- When AMAO 3 was based on AYP, 95% participation rates in reading and math at EMH were among the targets.
- Participation rate included in AMAO 3.
- TCAP participation rate was determined for reading, writing, math and science for each LEA.
- If LEA did not make 95% in at least two content areas, original AMAO 3 rating (Exceeds, Meets, Approaching, Does Not Meet) dropped one level.
- For example, an original Meets result would drop to Approaching and the LEA would not make AMAO 3.

#### AMAOs 1 and 3 and the DPF (by gradespan)

Academic Growth         Points Europe         Points	Academic Achievement	Points Earned	Points Eligible	% Points	Rating	N	% Proficient/Advanced	District's Percentile	
Mathematics         3         4         Meets         479         74.74         61           Writing         3         4         Meets         471         54.78         50           Science         3         4         Meets         166         48.8         52           Total         11         16         68.8%         Meets         166         48.8         52           Academic Growth         Points Earned         Points Eligible         * Points         Rating         N         Median Adequate Growth         Made Adequate           Mathematics         1         4         Dees Not Meets         313         46         311         Yes           Multimatics         1         4         Dees Not Meets         312         35         44         No           Writing         2         4         Approaching         305         40         44         No           Total         07         14         50%         Approaching         36         Woil         Growth Percentile         Grow				Nº romo

### AMAOs and Consortia

- District must have been in consortium at least two years, SY 2010-11 and 2011-12.
- Student data from eligible districts participating in a consortium SY 2010-11 and 2011-12 were aggregated to determine the Consortium MGPs and Median AGPs.
- Consortium "N" at the grade span must be 20+ for AMAOs 1 and 3, and 30 for AMAO 2.

### AMAO 2 Student Level Data

- Available in CEDAR https://cdeapps.cde.state.co.us/CDEAccess/login.jsp
- "AMAO 2 Student Level Report"
   all records are included in the report

#### **Review Process**

- Districts must submit the "Request for AMAO Review" with the "AMAO Review Excel file."
- AMAO Request for Review Information found at: <u>www.cde.state.co.us/FedPrograms/tiii/amaos.asp</u>
- Requests for Review must be emailed (<u>morganstern\_d@cde.state.co.us</u>) or faxed (303-866-6637) to Donna Morganstern

#### Conditions of Requests for AMAO Review

- 1. Superintendent must indicate support in writing.
- 2. It is the LEA's responsibility to demonstrate that the AMAO 1, 2 and/or 3 determinations were incorrect.
- 3. Districts can access individual student records included in AMAOs 1 and 2 calculations through CEDAR and see the data used to calculate AMAOs.
- All review-related data must be submitted by October 12, 2012. If you need assistance determining what data to submit, contact Donna Morganstern (morganstern\_d@cde.state.co.us) before October 5.

#### Conditions of Requests for AMAO Review

- No changes or updates will be made to the student biographical data in CDE's data warehouse as a result of the review process. Review results will not alter baseline and subsequent year data that are housed in CDE data warehouse.
- 6. Districts must have participated in CELApro and TCAP SBD. A district that did not participate in CELApro or TCAP SBD is not eligible for AMAO review. SBD is an integral part of the process to ensure clean data for making accurate AMAO determinations.

#### If LEA does not meet AMAO targets?

An LEA that fails to meet one or more AMAOs in any year must:

- Inform parents of ELs by letter, within 30 days of public notice, that LEA has not met AMAOs.
- The letter must be in an understandable format and, to the extent practicable, in a language parents can understand.

http://www.cde.state.co.us/FedPrograms/tiii/amaos.asp

# If LEA does not meet AMAOs for 2 consecutive years

- If the LEA fails to make AMAOs for two consecutive years.....the LEA must develop an improvement plan..... NCLB, 2001 Section 3122.
- Unified Improvement Plan information can be found at: <u>www.schoolview.org/UnifiedImprovementPlanning.asp</u>
- Plans will be due as part of the district's Unified Improvement Plan.

# If LEA does not meet AMAOs for 4 consecutive years

Title III law (Section 3122(b)(4)) requires the State to take additional action.

The SEA must provide additional review of the grantee's language instruction education program and provide technical assistance on any reform that should take place regarding the education of ELs.

#### Title III Accountability Report

Results will be posted on the Office of Federal Programs Data and Accountability page: www.cde.state.co.us/FedPrograms/danda/index.asp

And also on SchoolVIEW:

www.schoolview.org/SchoolPerformance/index.asp

### **AMAO Resources**

• Sample parent notification letters are available on the Unit of Federal Program Administration, Title III Website at: <u>http://www.cde.state.co.us/FedPrograms/tiii/amaos.asp</u>

- The 2011-12 AMAOs Manual can be found at: <u>http://www.cde.state.co.us/FedPrograms/tiii/amaos.asp</u>
- •National Clearinghouse for English Language Acquisition and Language Instruction Educational Programs <u>http://www.ncela.gwu.edu/</u>
- •US Department of Education, Office of English Language Acquisition <u>http://www.ed.gov/about/offices/list/oela/index.html</u>
