

Standards Review and Revision
Third Committee Meeting Summary

September 21, 2017

Mathematics Committee

Meeting Summary

Committee Chair: Joanie Funderburk

Committee Members present: Lisa Bejarano, Michael Brom, Ann Conaway, Dennis DeBay, Greg George, Cassie Harrelson, Lanny Hass, Lisa Rogers, and Ann Summers

AM Focus:

The mathematics committee shared updates about work completed by individuals and small groups since the last meeting on June 16. The committee:

- Discussed what work needed to be completed by early October in preparation for the proposed revisions to be posted for public review,
- Reached consensus about the three subcategories to appear under the right-side heading *Academic Context and Connections*: (1) Colorado Essential Skills and Mathematical Practices, (2) Inquiry Questions, and (3) Coherence Connections.

PM Focus:

The mathematics committee worked in small groups to progress on their proposed revisions. The committee:

- Added content to each of the three revised subheadings discussed in the morning.
- Considered approaches to high school standards that include content for student pursuing advanced coursework.

Fourth Committee Meeting Next Steps

For the next meeting of the mathematics committee on January 10, 2018, committee members will:

- Study the public feedback received during the upcoming fall comment period.
- Consider ways to make the style and format of the proposed revisions more consistent across grade levels by studying the work of other committee members.
- Consider any revisions prompted by the presentation of the proposed revisions to the State Board of Education in November.
