

FY 2023-2024 STATE GRANTS TO LIBRARIES
ACADEMIC LIBRARY GUIDELINES
COLORADO STATE LIBRARY
July 1, 2023

FY 2023-2024 State Grants to Libraries are provided by the Colorado State Library to enable public libraries, school libraries, and academic libraries to obtain educational resources they would otherwise be unable to afford, to the end that the state will receive the corresponding benefits of a better educated and informed population. (C.R.S. 24-90-402)

Due Date: 5:00p.m. Friday, September 15, 2023

Eligibility Requirements

ACADEMIC LIBRARIES

1. Must be a publicly supported library. Such libraries are supported with money derived from taxation.
2. Will participate in interlibrary sharing of resources at no charge to other Colorado libraries.
3. Must have existing local and/or state funding for libraries. The library must maintain its current effort to obtain funds to the end that moneys received under this Act do not replace or displace existing local revenue sources.
4. Make no charges to Colorado residents:
 - a. To use an Interlibrary loan service (can pass on fees charged/assessed by other libraries) for primary clientele of the library.
 - b. To access the Internet.
5. Academic Libraries must be established and maintained by a state supported institution of higher education primarily for the use of its students and faculty.
6. An institution of higher education may maintain more than one library at the same or additional campuses; each such institution shall be considered the equivalent of one eligible participant.
7. Will belong to the [Colorado Libraries Collaborate \(CLC\) Program](#). The program provides free access to library resources for the patrons of all CLC member libraries.

Eligible Use of Funds

1. The State Grants to Libraries funding is to be used by the recipient to obtain educational resources that they would otherwise be unable to afford. The purpose of the educational resources is to support efforts to improve literacy and learning, and other education-related needs identified by the grantee.
2. Educational resources are defined as any of the following: books, periodicals, or any other form of print media; audiovisual materials; and electronic information resources.
3. Electronic Information Resources are defined as material of an education or informational nature that may only be accessed electronically.
4. Libraries should refer to the chart of *How State Grants Can Be Used* in the Appendix and the *Frequently Asked Questions* resource on the [State Grants to Libraries site](#)

Timeline for Expenditure of Funds

The funding cycle for State Grants to Libraries begins July 1, 2023. Expenses incurred by libraries from July 1, 2023, through June 30, 2024, may be requested for reimbursement once funds are available. Approved grantees will be notified of their grant amount in October and funds will be available for reimbursement soon thereafter. **Funds will need to be requested on a reimbursement basis via online request for funds form no later than June 30, 2024.**

Reporting Requirements

1. All State Grants to Libraries recipients must complete a final report by July 31, 2024, certifying that all moneys received were used for the purposes outlined in the State Grants to Libraries Act and these Guidelines. The report will include:
 - a. A description of how the grant funds were used.
 - b. Statistical and/or anecdotal reports on the benefits of the grant funded resources.
2. A sample report form is available online at: [2023-2024 Report Form Preview](#)
3. Grant recipients must complete the online final report through a link provided to the Grant Contact Person listed in the Grant Eligibility Form or to the link made available on the State Grants website in the spring of 2024.
4. The report may be filled out whenever all funds have been spent, but at least by July 31, 2024.
5. The reporting form must be completed to be eligible for future State Grants to Libraries funding.

Process for Completing the Grant Eligibility Form

1. Complete and submit the [Academic Library Grant Eligibility Form](#) by **5:00pm on September 15, 2023** to certify that the library meets the requirements to receive funding and intends to use the funds as required by law.
2. Secure the appropriate signatures on the Grant Eligibility Form. Omitting required signatures may disqualify the applicant. Digital signatures may be added to the Eligibility Form. If unable to add digital signatures to the PDF form, filled form may be printed off, required signatures obtained, then signed form can be scanned and attached to the email for submission. Academic libraries must provide a signature of:
 - a. Provost, Dean of Academic Affairs, or other designated authority as appropriate
 - b. AND the library director.
3. **Grant Eligibility Form must be emailed by 5:00pm Friday, September 15, 2023.** Send email to Melissa Carlson at carlson_m@cde.state.co.us
