

**When it comes to
protecting our most vital
natural resource...**

**It all starts here,
with YOU!**

**Show your talent
and share your voice!**

**Water '22 Student Showcase
CALL FOR SUBMISSIONS NOW OPEN**

ALL COLORADO K-12 STUDENTS, AGES 5-19, THROUGH OCT 1, 2022

**What inspires you about Colorado
water? How do you connect with water
in your life? What future do you want
to see for water in our state?**

Categories include: Creative Writing, Design,
Photography, Art, Film, Music, Performing Arts,
Modeling, Engineering, and more!

**LEARN MORE AT
[WATER22.ORG/YOUTH-ENGAGEMENT](https://water22.org/youth-engagement)**

Submissions to the Student Showcase are accepted in both English and Spanish. All Entries receive a certificate. Notable artists, writers and professionals will judge submitted work, and top submissions from each division will be showcased across the state.

Teachers: For more opportunities, check out wateredco.org/programs-events and consider signing up (for FREE) for the statewide Water Educator Network. WEN affiliates collaborate with other educators and gain access to tools, trainings and resources for bringing water education to students and other audiences.

Want access to an engaging and standards-aligned water education curriculum? Email scott@wateredco.org to learn about Project WET and other educational resources.

Water '22 is a year-long celebration of Colorado water, inspiring public awareness and stewardship for critical water resources, spearheaded by Water Education Colorado.

**What a GREAT
Summer
Activity!**
