Significant Support Needs (SSN) Book Study Opportunity

The Colorado Department of Education SSN Network announces this exciting opportunity. We will be holding a weekly **Virtual** Book Study on the book, *Comprehensive Literacy for ALL: Teaching Students with Significant Disabilities to Read and Write* by Karen Erickson and David Koppenhaver, 2020. This is an amazing opportunity to learn and network with your colleagues across the state.

This book study group is for school personnel who provide literacy instruction (planning, preparation, delivery) for students who are working on the alternate achievement standards or EEOs.

The Virtual Book Study will begin the week of September 12 and end in mid- December. We are offering 4 different sessions and you can choose the day and time based on your schedule.

Tuesday 1 - 4:00 pm - 5:00 pm (secondary focus)
Tuesday 2 - 4:00 pm – 5:00 pm (elementary focus)
Wednesday - 6:30 pm - 7:30 pm
Thursday - 3:30 pm - 4:30 pm

In order to participate you must agree to a few assurances/requirements/expectations listed on the application.

You are invited to apply for a spot in one of these sessions and commit to attending each session. Space is limited.

This application does not guarantee acceptance. You will be notified if you are accepted to participate and the time of your session during the week of August 29. If needed, CDE will ship the book to you on that date so that you are ready for the first session.
