During TLI Team Planning Sessions (2:20 – 3:30 PM) teams will reflect upon last year’s transition-action plans to determine their progress in meeting last year’s goals. Teams will use the transition programming tool, district and school-based data as well as post-school outcomes data to systematically evaluate strengths and needs of current transition programming. During this time content experts will be available to answer questions on a variety of transition-related topics.

Use the list below to identify and reach out to a content expert to develop an action plan to address identified areas of need.
